Chamber annual dinner a very different affair

At its November board meeting, the Chamber's board of directors made the call to cancel the annual dinner as an in-person event. This is the first time in recorded history that the Chamber has not held its annual event which included live and silent auction, cocktail reception, business awards, the much-loved table decorations and the changing of the out-going and new board members. It was a very easy decision from a responsibility standpoint given the current public health crisis. The Chamber has canceled all but a very few events since March, in keeping with the public health guidelines and mandates. There's no question that the Chamber, like all its members, will see a return to full business at some point in 2021, but for now takes their stewardship seriously.

The event will take on a virtual shape but what that looks like at the time of this publication is still taking shape. Watch your email for future news.

In the meantime, we are still accepting nominations for business awards, but the deadline to return submissions is moved up to December 31.

A very special thank you to [Hilton Polaris](#) for working with us. We've booked Monday, February 3, 2022 when we look forward to being back with you at this special event.

New member orientation- it means you veteran members, too

Every quarter the Chamber holds a new member orientation. Pre COVID members mingled with board members over coffee and pastries and then retreated to the conference room where Chamber staff run through the benefits of membership. But we know that there are many of our current/ long-standing members who could use a brush-up or have new staff who should be brought up to speed.

But like so many other meetings, we're going to hold the event virtually. You'll have to bring your own coffee and muffins, but we'll still give you all the important info you need to understand and make the best use of your chamber membership.

Everyone is invited– even prospective members, and the Chamber staff encourages you to register to attend.

Our next orientation is **Tuesday, January 26, 9:00-10:00**. [Click here for link and to register.](#) We'd love to see you! It's not just for new members!

A note from the president

I am honored to steward the Chamber on your behalf and encourage you to use your membership as part of your strategy for the new year. I have the most humbling and fulfilling career, surrounded by the heroes you are, turning on your “OPEN” sign every day despite challenges the rest of the world isn't aware of. Your relentless drive and courage defines your community and I'm grateful on their behalf.

It continues to be a pleasure serving you and I'm looking forward to working together in the year ahead. On behalf of Chamber staff and board, here's wishing you all the best for your goals, plans, and resolutions as we enter 2021!
-Holly

Chamber board of directors says farewell and welcome

The Chamber's new fiscal year always comes with a change in board leadership as directors term off and new faces step up. This year the board is saying goodbye to five board members who are ending a combined twenty-four years of service!

Scott Cubberly, [Equity](#), is leaving the board after two years fulfilling an unexpired term. This is Scott's third go-around on the Chamber board, having served in the 1990s and mid-2000s. It's safe to say Scott has seen the Chamber in many lights over the years.

Denny Frierhood, [Honda Marysville](#), could not accept the invitation to serve a second three-year term as his increased job responsibilities prevent him from participating in the way he'd like to. Denny will remain supportive of the Chamber and we'd expect nothing less from this generous and thoughtful member.

Andy Wecker, [Manos, Martin & Pergram](#), and Glenn Marzluf, [Del-Co Water Company](#), are stepping down after having served the maximum 2 three-year terms. They will continue to serve on Chamber committees and will remain familiar faces.

And Dusty Hostutler, [Dusty Hostutler Edward Jones](#), leaves the board after seven years. The Chamber by laws state that if a board member serves as board chair in the last year of their second three-year term, they may remain on the board for one more year as the immediate past chair. Twenty-twenty was Dusty's "bonus year" and it's hard to picture the board without him!

It would be impossible to overstate—indeed, it's difficult to sum up—the level of support, wisdom, leadership and encouragement of these gentlemen. Their service equates to hundreds of hours of collaboration and contribution in the growth and culture of the Chamber. Thank you seems far less than what should be expressed.

But as with any strong organization, along with our goodbyes comes the welcome of new faces. The board of directors is pleased to announce and introduce three new members. Kirt Trimble, [Trimble Insurance Agency](#), Kim Saunders, [Ohio State University Wexner Medical Center Outpatient Care Lewis Center](#), and Tamra Bower, [Polaris Fashion Place](#), will be stepping into leadership positions. From a third-generation iconic small business to a world-class health care and research institute to one of the area's premier retail giant, these three folks bring a wealth of experience and engagement to the Chamber's governing body. The remaining current members of the board look forward to working with Kirt, Kim and Tamra.

So here's to 2021. If ever there was a year poised to start out bumpy but finish strong, this is it! The Chamber is so fortunate to have a ready pool of dedicated and interested members poised to lead.

2021 Community Profile and Membership Directory

The 2021 publication of the Chamber's annual Community Profile and Membership Directory is on its way to the primary contact of your membership. This beautiful publication, the only of its kind in the county, was assembled and printed this year by [Minuteman Press of Dublin](#).

Copies are mailed to the membership and distributed throughout the year to Chamber walk-in traffic, new mover packets, staff recruitment packets requested by Chamber members and in many venues in the county. We encourage you to contact us for quantities of the publication to display and distribute in your lobby. The publication is also linked on the [Chamber's website](#).

Local agency celebrates golden anniversary; recognizes generous community leaders

As the community's only comprehensive 24/7 resource, [Helpline of Delaware and Morrow Counties](#) is the go-to for supporting and empowering change. Their highly trained specialists offers free compassionate support to anyone in crisis or in need of information, connecting people with the right community resources.

For fifty years, Helpline has offered prevention programs promote and advocated for emotional health and wellness through addressing suicide and depression, sexual assault, child sexual abuse and family violence to influence change in our community. Based in Delaware, HelpLine is a contract provider of the [Delaware-Morrow Mental Health and Recovery Services Board](#) and partially funded by [SourcePoint](#). A [United Way of Delaware County](#) partner, HelpLine is accredited by the American Association of Suicidology, National Alliance of Information & Referral Systems and certified by the Ohio Department of Mental Health and Addiction Services.

As the agency celebrates its golden anniversary, they also recognize Sue Hanson, who has served as its executive director for 25 years. In a change from their annual awards and "friendraising" celebration, HelpLine hosted their second annual Guardians for Good event online on Giving Tuesday, December 1. The event, hosted by Bob Kendrick and Stacia Naquin on Facebook and [YouTube](#), focused on the importance of embodying positive energy and finding the positive intent behind every action.

The theme "Be the Good, See the Good" encompassed this year's class of winners, several of whom are chamber members, including [Family Promise of Delaware County](#), [Delaware Public Health District](#), and [Delaware County District Library](#) Director George Needham. These individuals and organizations have risen to the challenge to find new, creative ways to deliver service and selflessness in a year unlike any other.

The Chamber is grateful to Helpline for their contributions to the quality of life in our communities. The services offered at Helpline can never be overstated and no other one organization can provide all that they do. Congratulations to Helpline on their 50th anniversary and also to the very worthy Guardians for Good.

City offers revolving loan

The [City of Delaware](#) has opened a \$300,000 revolving loan fund to bolster the city's small businesses. Any business (or business owner) within city limits is eligible to apply for the low-interest loan program. The fund will be administered by Economic and Community Development Institute (ECDI), a community microlender that is headquartered in Columbus and serves small businesses throughout the state of Ohio.

In a time when a majority of small businesses – even those with a long, stable history – are struggling due to the economic shutdown caused by COVID-19, access to capital can be a sustaining lifeline. Borrowers can request up to \$25,000 from the City of Delaware fund, and can access ECDI's portfolio of funds for additional capital up to \$350,000* for their total loan. Funds can be used for any business purpose, including payroll, inventory, renovations or other.

Loans of 0-25K will be funded at 3% rate. Loans of 25-50K will be funded at 5% blended rate. Beyond that, your business will work with ECDI to get the best rate they can or will seek financing from other entities of your choice.

To apply, please visit <https://www.ecdi.org/small-business-loans/>. For further questions, please reach out to Aaron Cornell at (614) 559-0196 or by email, ACornell@ecdi.org.

County offers relief programs

Delaware County launched an Economic Development Revolving Loan Fund application to the Delaware County business community.

Powell-based Buckeye State Bank will administer the program, which will provide loans between \$10,000 and \$25,000 over a five-year term. The loan principal can equal up to six months' of rent, mortgage and/or utility payments. The interest rate is 4 percent with a \$1,000 fee that will be added to the loan principal. Interest-only payments will be required during the first six months of repayment. Review and approval of the loan application will take no more than 10 business days. If you apply for other local loans, we will ask you to withdraw from our program, in order to give other businesses a chance to use local funds.

The fund was engineered by the Commissioner-appointed Delaware County Economic Recovery Advisory Team, a committee that was established in response to the COVID-19 pandemic. Delaware County officials, including Clerk of Courts Natalie Fravel, have contributed \$2.5 million to get the fund started. The Delaware County Finance Authority, **Orange Township** and **Liber ty Township** have each contributed \$250,000. The committee continues to seek additional contributions to the fund.

Member announces long-awaited expansion into the city of Delaware

Mark Johnson, President and CEO of [The First Citizens National Bank](#), has announced the planned opening of a branch office at the corner of W. William Street and S. Franklin Street in Delaware, Ohio. The branch is expected to open in March 2021, followed by a major expansion to the building.

“We have been serving customers in Delaware for a number of years from our Powell and Marion locations,” stated Johnson, “but with banks in the Delaware market consolidating and selling to out-of-state owners who are drastically raising fees we felt the time was right for a true community bank to step in to serve the community.”

The location, which is located at 33 W. William Street, previously served as a free-standing three-lane drive-up bank branch, is being upgraded to serve as a temporary full-service bank branch while a major 2,200 square foot addition is being constructed. First Citizens entered into a long-term lease arrangement with property owner Hiram Lodge #18 F & M and expects the new addition to be completed by the end of 2021.

Johnson added: “We looked for a downtown location with good access, parking and drive-up capabilities and are very pleased with this location. We feel very much at home in Delaware.”

First Citizens, which has been very active in the Delaware Area Chamber of Commerce and was recipient of Outstanding Chamber Member and Large Business of the Year awards, prides itself for its unique style of community banking.

“We do business the old-fashioned way, with lots of personal service,” stated Johnson, “but we also understand that today, that’s not enough. Our business and retail customers demand leading-edge technology, such as cash management, merchant services, mobile banking, Zelle®, Apple Pay and Google Pay, but they also want access to experts who can provide the advice they need for more complex banking questions.”

The First Citizens National Bank is the 4th oldest national bank in the United States still operating under local leadership. Founded in Wyandot County in 1860, the Bank operates twelve banking and ATM locations in Wyandot, Hardin, Marion, and Delaware Counties, including a branch in Powell at the corner of Sawmill Parkway and Powell Road.

The SOCA self-funded medical plan. A big opportunity for small employers.

The Southern Ohio Chamber Alliance (SOCA) teamed up with Anthem Blue Cross and Blue Shield to create a health program that can lead to more rate stability – and it could offer potential savings for groups with 50 or fewer employees. This self-funded multiple employer welfare arrangement (MEWA) lets smaller employers join together to share in the overall claims risk. By being part of a larger, self-funded pool, employers have financial protection backed by Anthem's stop loss coverage.

In addition to financial protection, this innovative alternative offers:

- Competitive rates
- Fixed, predictable monthly payments
- A variety of plan designs
- Anthem's broad Blue Access PPO provider network and Essential Rx formulary
- Coverage for claims run-out/terminal liability coverage
- Expanded wellness offerings
- Specially discounted rates on SOCA-exclusive specialty products including dental, vision, life, optional life, and disability insurance

As a member in good standing with the Delaware Area Chamber of Commerce, your business is eligible for discounted group health care *including plans for sole proprietors*, sold through our Chamber-member authorized agents.

Contact one of our agents to see if there's a plan that's right for you.

The most comprehensive research study to date on the relationship between Chamber membership and consumer confidence shows a marked effect for both large and small business. The caveat, however is that the positive outcomes only occur when the consumer knows that a business is a Chamber member. As a member of the Delaware Area Chamber of Commerce in good standing, you are encouraged to use the Chamber's logo on your email signature, website, stationery and marketing materials. In 2019, [Artina Promotional Products](#) created the Choose Kind Foundation to honor the legacy of the family matriarch, the late Sue Bouzounis. In honor of Sue's 79th birthday, the foundation presented its largest grant to date of \$10,000 to the Make-A-Day Foundation. The Choose Kind grant will be used specifically to aid in the startup costs of their new mobile outreach unit (aka: Community Opportunity & Appreciation Truck " [COAT]) that will allow Make-A-Day's outreach and relief efforts to become mobile so they can reach people where they are in our community.

Make-A-Day Foundation is a non-profit organization that provides outreach to Columbus' homeless population. For more than three years, these outreach efforts have been centered around hosting block party styled, pop-up events. Each event focuses on connecting homeless guests with the community and resources available to end homelessness. Each event also provides guests with free clothing, personal care items, a complementary meal and of course their famous haircuts, shampoos, and shaves from some of the city's best local cosmetologists. 2020 has been a big challenge in putting on these events on and providing these important services but Make-A-Day has persevered none-the-less. The Make-A-Day Foundation is Empowering the impoverished through inclusive community events, acts of kindness, advocacy and educational awareness.

CompManagement Health Systems announces merger and name change

We are excited to share the news that CompManagement Health Systems, Inc. (CompManagement MCO) is merging with CareWorks of Ohio, Ltd. (CareWorks MCO), effective Monday, December 21, 2020. This merger will accompany a name change to Sedgwick Managed Care Ohio (Sedgwick MCO).

You will recall that Sedgwick, CompManagement's parent company, acquired CareWorks in 2019. For the past 16 months, the teams at CareWorks and CompManagement have partnered to develop best practices to ensure outstanding outcomes remain available to our members. We are excited to partner with this new level of managed care!

A couple of things to note below for our members who utilize CompManagement Health Systems:

- Your MCO service team will remain the same. Your Case Examiner, Nurse Case Manager and Account Executive will continue to work with you, your employees and your organization.
- This does not impact the administration of our group rating or group retrospective rating programs.

Again, there will be no change in MCO contacts for you or your injured workers as a result of this merger. We look forward to the valuable resources that Sedgwick MCO brings to our members. For additional information, we invite you to visit www.SedgwickMCO.com.

This merger only impacts the managed care side of the business. At this time, there are no changes to the TPA side which includes CompManagement group programs.
